The Road Back: Moving Forward Cautiously

<table>
<thead>
<tr>
<th>Description</th>
<th>Stage 1</th>
<th>Stage 2</th>
<th>Stage 3</th>
<th>New normal</th>
</tr>
</thead>
<tbody>
<tr>
<td>Most staying at home</td>
<td></td>
<td></td>
<td></td>
<td>Economic and social activity back to normal with a new resilience</td>
</tr>
<tr>
<td>Activity largely limited to crucial activities</td>
<td>Restrictions relaxed on low-risk activities if appropriately safeguarded</td>
<td>Additional activities permitted that can be easily safeguarded</td>
<td>Most activities allowed with significant safeguarding</td>
<td></td>
</tr>
</tbody>
</table>

Precautions applying across stages:

- Work that can be done at home should continue to be done at home
- Clinically high-risk individuals who can stay at home should continue to do so
- All residents and businesses should follow State & Federal safeguarding guidelines:
  - Wash hands
  - Respect social distancing
  - Disinfect workplaces and businesses
  - Wear masks in public
  - Minimize gatherings
  - No mass gatherings
SCHOOLS DURING THE COVID-19 PANDEMIC

The purpose of this tool is to assist administrators in making (re)opening decisions regarding K-12 schools during the COVID-19 pandemic. It is important to check with state and local health officials and other partners to determine the most appropriate actions while adjusting to meet the unique needs and circumstances of the local community.

Should you consider opening?
- Will reopening be consistent with applicable state and local orders?
- Is the school ready to protect children and employees at higher risk for severe illness?
- Are you able to screen students and employees upon arrival for symptoms and history of exposure?

Are recommended health and safety actions in place?
- Promote healthy hygiene practices such as hand washing and employees wearing a cloth face covering, as feasible
- Intensify cleaning, disinfection, and ventilation
- Encourage social distancing through increased spacing, small groups and limited mixing between groups, if feasible
- Train all employees on health and safety protocols

Is ongoing monitoring in place?
- Develop and implement procedures to check for signs and symptoms of students and employees daily upon arrival, as feasible
- Encourage anyone who is sick to stay home
- Plan for if students or employees get sick
- Regularly communicate and monitor developments with local authorities, employees, and families regarding cases, exposures, and updates to policies and procedures
- Monitor student and employee absences and have flexible leave policies and practices
- Be ready to consult with the local health authorities if there are cases in the facility or an increase in cases in the local area

If any NO, DO NOT OPEN

If all YES, OPEN AND MONITOR

MEET SAFEGUARDS FIRST

cdc.gov/coronavirus
Harrison Public School District is considering...

Grade K-5
- Harrison Public Schools will open to all students everyday.
- Modified Schedule - 8:20 a.m. - 1:15 p.m.
- NO lunch/recess period.
- Face Masks Required for Students and Staff

Grade 6-12
- Students will be split in two cohorts (A/B)
- Wednesday (RED/BLUE Alternating)
- Modified Schedule - 8:20 a.m. - 1:15 p.m.
- NO lunch/recess period.
- Face Masks Required for Students and Staff
Parents will have the option to choose ALL remote learning for their children.
CDC considerations for Schools

Ways Harrison Public School District will look different when it reopens.
Face coverings will be required

- ALL students and staff will be required to wear a face covering (i.e. mask) during school hours (8:20 a.m. - 1:15 p.m.).
- CDC recommends all people 2 years of age and older wear a cloth face covering (i.e. mask) in public settings and when around people who don’t live in your household, especially when other social distancing measures are difficult to maintain.
- Harrison Public Schools is prepared to supply every child with a mask!
New Arrival/Dismissal Procedures

- ALL schools will establish multiple entrance/exit points for students to ensure a balance of social distancing.
- Staff will visually check students for symptoms upon arrival (which may include temperature checks) and/or confirm with families that students are free of COVID-19 symptoms.
- Staggered dismissals will limit contact between students and parents as much as possible.
- Hand sanitizer will be available at all entrance/exit points.
Promotion of behaviors that reduce the spread

- Parents will be encouraged to have their children stay home, when not feeling well.
- Increased hand hygiene and respiratory etiquette (i.e. coughing, sneezing, blowing nose) will be encouraged.
- Face coverings will be required.
- Signs and messages throughout school hallways, bathrooms, and sinks will promote wearing a mask, social distancing, and hygiene rules.
Classrooms

- Classrooms will allow for social distancing to the maximum extent practicable.
- Hand sanitizer will be available in the classroom.
- Used of shared objects will be limited or cleaned between usage.
- Desks will face the same direction.
- Designated times to take students out of the classroom to wash hands will be scheduled.
- Outdoor times for mask breaks can be scheduled.
Student Flow

- “One-way routes” in hallways.
- “UP ONLY and DOWN ONLY” stairways.
- Number of students in the hallway will be limited by staggering releases from classrooms.
- Large group gatherings will be minimized (i.e. assemblies, lunch, recess).
Cleaning Procedures

- Schedule for increased, routine cleaning and disinfecting.
- Sanitization of bathrooms as frequently as possible.
- Propped doors to avoid touching handles.
- Drinking fountains will be turned off. Students will be encouraged to bring their own water.
Meals

- Discontinuation of family style, self-service, and buffet style dining.
- Breakfast will be served, daily.
- Students will receive a snack during the school day, daily.
- “Grab and Go” style lunch will be provided to students, daily.
- Encourage proper hand washing before and after eating meals.
Parents

- Parents and visitors will be required to wear face coverings.
- Pre-scheduled appointments are strongly encouraged to limit the number of visitors during any given day.
- Glass Partitions in all School Offices have been installed for parents, students, and staff protection.
- Current and up-to-date phone numbers and email address must be provided to the school.
- Virtual Back-To-School Nights and Parent/Teacher conferences are a possibility.
Harrison Public Schools is committed to ensuring a SAFE and STRONG start to September 2020!
